Preparing Clothing Items for Sale

Wire hangers only.

Hangers face left to resemble a question mark...see illustration below.

Items MUST be sorted by size and gender. (**Items not sorted will be returned to consignor for sorting.**)

The Giggles and Grace tags must be used or the items will not be accepted (see the link at the top of the page to print the tags).

Print tags on WHITE CARDSTOCK. Failure to do so may result in lost or torn tags.

Tags pinned with medium sized safety pins on the right side of the garment...see illustration below.

The tag should be written in all **Black ink** for items to be marked down 50% at Saturday's sale.

The tag should be written in all **Red ink** for items NOT TO BE MARKED DOWN 50% at Saturday's sale.

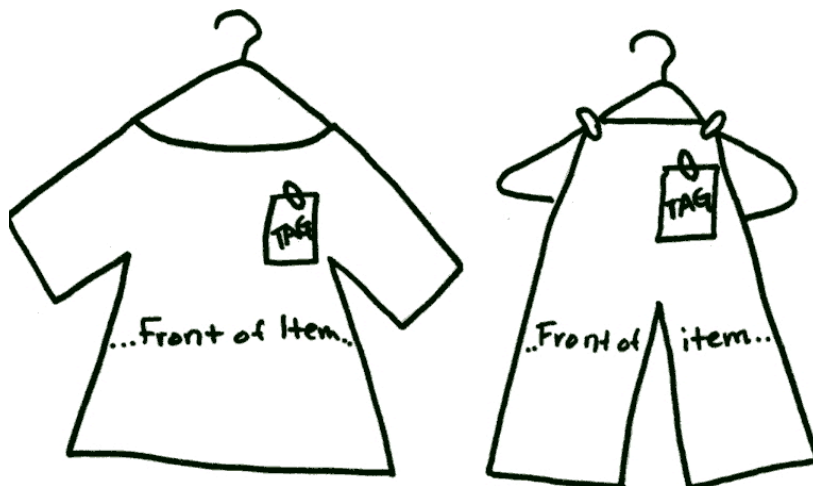

Fill in tags COMPLETELY- double check seller number and price!

Draw a YELLOW LINE through the tags for items that you wish to have returned at the end of the sale. Items that are not marked in this way will be donated at the end of the sale.

For extra protection against a lost tag you may place masking tape with your seller number inside each garment and on the outside of all other items.

All items should be priced at \$3.00 or above in whole dollar increments.

- o Group items of lesser value together.
- o Rule of thumb for pricing- $\frac{1}{3}$ of original price for items in excellent condition. $\frac{1}{4}$ of original price for items in good condition.

Preparing Non-Clothing Items For Sale:

Shoes: Place each pair of shoes in a zip-top bag. All bags should be taped closed with clear packing tape with the tag *OUTSIDE*.

Toys: If a toy has many parts, you can place small parts (i.e. kitchen accessories) in zip-top bags then attach the bag to the main part (i.e. kitchen set) with clear packing tape.

Books: Place books in zip-top bags. All bags should be taped closed with clear packing tape with the tag *OUTSIDE*.

Games and Puzzles: Boxes should be sealed with clear packing tape with the tag placed on the *OUTSIDE*. For puzzles without a box, wrap the puzzle with Saran wrap then secure with packing tape.

Combined pieces or sets: Bundle items together and use only ONE tag for the entire set.
