Items **MUST** be sorted by size and gender. (Items not sorted will be returned to consignor for sorting.)

The **Giggles and Grace tags** must be used or the items will not be accepted.

NO TAGS from any previous sales may be used this Spring.

Also, DO NOT delete any tags in the system for items you plan to sell. If you delete an item you plan to sell, it will not show up in inventory and we can NOT sell it! Do NOT delete as you go!

Tags must be the proper size of roughly 4.75 inches high and 2.5 inches wide. Tags must also be printed on **WHITE** card stock.

Sample Tag

IF YOUR TAGS PRINT SMALLER THAN ROUGHLY 4.75" X 2.5", PLEASE EMAIL RECEIVING@ASBURYGIGGLESANDGRACE.COM FOR HELP.

Giggles and Grace Receiving Team *reserves the right* to return any items back to the consignor that does not meet these TAG guidelines. The Consignor will be given the opportunity to recreate the tags and re-receive those items. (Random items will be scanned during receiving to confirm bar-codes are printed correctly.)

Be sure to read the Tag Creation Instructions for proper printing of tags. Print tags on **WHITE CARDSTOCK**. Failure to do so may result in lost or torn tags.

Print tags with "Fine" or "high" resolution black print option.

Do not tape over the printed barcode on the tags. Doing so could result in your item not scanning correctly.

Tags pinned with medium sized safety pins on the right side of the garment...see illustration below.

Fill in tags **COMPLETELY**- double check all information and price! You will not be able to change the tags once you drop them off at Receiving. Make sure that you choose if you want to discount each item on the last day of the sale. Your tag will print saying “**REDUCED LAST DAY**” or “**No Discount.**”

When creating tags for items that you wish to have returned, make sure that you mark them **Donate: No**. Items that are not marked in this way will be donated at the end of the sale. For items that you wish to donate, please check **Donate :YES** and that they print with a large an open hand to the left of the price on the tag.

For extra protection against a lost tag you may place masking tape with your seller number inside each garment and on the outside of all other items.

All items should be priced at \$3.00 or above in whole dollar increments.

Group items of lesser value together.

Rule of thumb for pricing- 1/3 of original price for items in excellent condition. 1/4 of original price for items in good condition.

Preparing Non-Clothing Items For Sale
